The Tennessee Overhill Heritage Association has just printed 10,000 copies of the Events 2007 brochure, covering McMinn, Monroe and Polk counties. This brochure is a great way for local residents to find out what is happening in their own backyards as well as what our neighbors have to offer all year long. Find out information on events in McMinn, Monroe and Polk County ranging from bluegrass festivals, theatre productions, train excursions, seasonal happenings, museum events and exhibits, heritage events, historical reenactments, and conservation education programs.

In addition to the printed version, the Tennessee Overhill Heritage Association also maintains an online Events listing on its website, www.tennesseeverhill.com, to help showcase the diverse and numerous opportunities for entertainment, education, and recreation in our region.
